QUALITY FOOD AT AFFORDABLE PRICES! " IF YOU EAT, YOU QUALIFY"

1280 North Johnson Ave., Suite 101
El Cajon, CA 92020

SHARE invites community-minded people from all backgrounds to participate in a monthly food distribution network that has a greater social impact than they will ever find at the local super store. While offering the same quality foods at discounted prices, SHARE has almost a magical power to bring people together for the greater purpose of developing community relationships and breaking down barriers that keep us apart. Instead of segregating ourselves, for instance, by race, religion, or income, SHARE helps us all realize how much we have in common and how much we have to learn and enjoy with one another.

It should not take a tragic event or a weakened economy to awaken the spirit of community within our churches and neighborhoods. Many people are living lives of quiet desperation, searching for ways to connect with others. Seniors, the struggling single parent, the minimum-wage earner as well as the "typical" American family all SHARE the desire to be in relationship with others and to know that their lives matter in this fast-paced, endlessly changing world.

SHARE participants, who come from all lifestyles, are committed to perform voluntary acts of kindness. They may for instance, tutor their neighbor's child, serve meals to the homeless or homebound, mow the single mother's lawn, or even help package monthly SHARE's at the warehouse. Then one day each month this common bond of service is celebrated at our monthly SHARE food distribution. Saving money on groceries and stretching the family budget is the tangible benefit that SHARE offers. Serving others brings to us the intangible reward of a life well lived.

Will you join us at SHARE this month? If you are interested in more information or participating in the program, please do not hesitate to contact us at: 619-590-1692 or visit us online at www.goldensharefoods.com.
